

## SUPERHERO SUPPLEMENT.

Often, you find yourself in need of superhuman strength to get through your day, but eating a healthy variety and adequate servings of those all-powerful fruits and veggies is tough. Have no fear, Moa™ is here!

A diverse blend of 36 of the world's most powerful superfoods, Moa helps protect cells from oxidative stress and supports normal energy-yielding metabolism and normal psychological and immune functions.

Part of the Nutrifii™ product line – a premium collection of bioavailable supplements that include synergistic blends of vitamins, minerals and nutrient-dense superfoods. Moa both fortifies your body and gives your immune system a boost.

### SIMPLE

In a convenient, on-the-go pouch, Moa is easy to consume and easy to share!

### NATURAL

Our natural preservative, NATRIIX™, is an exclusive, patent-pending blend of essential oils, culinary herbs and cultured compounds that creates a revolutionary preservative system without the need for synthetic compounds.

### POWERFUL

One serving of this revolutionary blend of 36 superfoods is equivalent to a shopping cart full of fruits and vegetables.

Traditionally, these individual ingredients have been used to address a number of different health concerns.

**POTENT**

For centuries, mushrooms have been used to produce health benefits of immunity, energy and longevity. Moa's superstar ingredient list contains a revitalising mushroom complex, including maitake gold – ounce-for-ounce more valuable than gold – nigella seeds and a clinical dose of bergamot, all working together to amplify your body's immune system to achieve superhero strength.

**DIVERSE**

By sourcing exotic ingredients from around the globe, Moa provides the best of what Mother Nature has to offer, all delivered to your front door. Many of the health-supporting superfoods found in Moa have been used by ancient civilizations for centuries in cultures that prize longevity and wellness.
